The Anni Azzurri San Giuseppe Care Home, inside the Institute of the Sisters of San Giuseppe, offers hospitality and care services to both the self-sufficient and those with various conditions of non-self-sufficiency and/or severe cognitive impairment.

Stays can be long-term or temporary following acute events or pre-/post-operative admissions, as well as for respite care.

Particular attention is paid to senile dementia and Alzheimer's.

In 2007, the Day Care Centre for the Elderly was opened next-door to the Care Home, in collaboration with the municipality and the ASUR Marche Area Vasta 5, to accommodate 18 residents.

Health services

Each resident in the Anni Azzurri San Giuseppe Care Home is cared for by a **multi-professional team** on the basis of an Individual Assistance Plan (PAI), which is drawn up in collaboration with family members and can be adapted to any changes.

In addition to **daily and specialist medical assistance** and **24/7 nursing**, the Anni Azzurri San Giuseppe Care Home provides various kinds of **health services** that include: post-hospitalisation, physiotherapy and psychological assistance (listening, support, and relational care).

Rates

The Anni Azzurri San Giuseppe Care Home daily rate varies according to each resident's characteristics (degree of self-sufficiency), their clinical condition (intensity of care needed for their state of health), required hotel accommodation required, length of stay and any applicable National Health contributions.
