The Anni Azzurri Santa Maria in Chienti Care Home in Montecosaro, in the province of Macerata, has 85 beds and offers hospitality and care services to both the self-sufficient and those with various conditions of non-self-sufficiency and/or severe cognitive impairment.
Stays can be long-term or temporary following acute events or pre-/post-operative admissions, as well as for respite care.
The residence is particularly suitable for people with Alzheimer's and dementia-related problems.

Health services

Each resident in the Anni Azzurri Santa Maria Care Home is cared for by a multi-professional team on the basis of an Individual Assistance Plan (PAI), which is drawn up in collaboration with family members and can be adapted to any changes.
In addition to daily and specialist medical assistance and 24/7 nursing, the Anni Azzurri Santa Maria Care Home provides various kinds of health services that include: post-hospitalisation and physiotherapy.
The Care Home also has a Protected Unit for residents with Alzheimer's or severe forms of dementia.

Rates

The Anni Azzurri Santa Maria Care Home daily rate varies according to each resident's characteristics (degree of self-sufficiency), their clinical condition (intensity of care needed for their state of health), required hotel accommodation required, length of stay and any applicable National Health contributions.
In addition, at certain times of the year there may be Special Promotions for certain types of resident.
